B-roll, championship event footage	<u>NARRATOR (V.O.)</u> : From the very first day Lexus opened its

	societal and emotional impact that's larger than the cars themselves.
	That's why the Lexus Champions for Charity golf series was
	launched.
	It's one of the longest running, most successful grassroots charity golf
	programs in the country.

NARRATOR (V.O.): Each day starts with a gourmet breakfast, followed by a few practice swings on the driving range. Then, the golfers head out to the various courses: Spyglass Hill Golf Course, with its narrow, tree-lined fairways and elevated greens -- The Links at Spanish Bay, with ocean vistas, rolling fairways and tricky greens - and the legendary Pebble Beach Golf Links, with challenging t-shots like the 7th hole, heading straight into the Pacific, and the 18th hole, guarded by the rocky coast . . . plus daunting fairways like the 8th and 9th holes, that seem to go on forever . . . treacherous sand traps . . . and the lush, yet unforgiving greens that demand a golfer's very best. Everywhere, there's unsurpassed beauty -- as famed writer Robert Louis Stevenson put it, "the most beautiful place on Earth where land and sea meet."

Soundbite testimonial, B. Bork, 3:14:30

BORK: The vistas on this course are truly unbelievable. It's a once in a lifetime experience and we're glad we're here.

Soundbite testimonial, D. Stuart, 3:15:31

STUART: Fantastic courses, and the place is beautiful. I'd love to do it again.

B-roll, Peter Jacobsen golf clinic, various shots

NARRATOR (V.O.): One of the highlights of this year's event was the golf exhibition and clinic hosted by PGA touring pro, Lexus's own Peter Jacobsen. The Senior U.S. Open champion is among the top 100 career money winners on the PGA tour.

Golf clinic footage, Jacobsen gives tips as golfer gets ready to take chip shot, 11:36:27

JACOBSEN: I want you to close this blade . . . Set up square . . . Now close the blade . . . About another degree or two . . . Close it a little more now . . . Now just go ahead and make your stroke.

JACOBSEN: I just close it . . . *(Jacobsen hits chip shot)* And it's gonna hit, and it's gonna run . . . *(Walks over to golfer and shakes his hand)* Okay, you got it.

Soundbite testimonial, S. Walker, 8:13:45

WALKER: You feel like you're a touring pro. . . . (8:13:00) I mean, it's a fantastic time. Anybody who comes is going to have a good time.

Soundbite testimonial, T. Massey, 8:23:30

MASSEY: And the fact that the funds go to charity is probably the best thing about it, it's wonderful.

B-roll, recreational footage

NARRATOR (V.O.): Once the day's golfing is done, the guests are free to enjoy the many amenities and recreational opportunities at the resort.

And since Lexus is the preferred vehicle of Pebble Beach Resorts, guests can be chauffeured from golf course to spa treatment in a Lexus. Lexus vehicles are also available for test drives upon request. What better way to experience the famous 17-mile drive around the Monterey peninsula than in a luxurious Lexus?

Soundbite testimonial, W. Schinderman, 8:11:33

SCHINDERMAN: From the moment we got here to the cars picking us up, it was really a first class operation.

Soundbite testimonial, M. Critchfield, 8:25:21

CRITCHFIELD: Not only first class accommodations but first class hospitality.

Super: **Louie Anderson**

ANDERSON: We almost hit a deer. But it was the daytime, so it was alright, because they can go. At night, they freeze on your headlights. I always wondered, what's the deer thinking. "What is that, a Lexus?" *(Audience laughter)*

FISCO: Our first year, we started with 63 charities. This year, we had over 190 charities raising over \$1.1 million. (*Audience applause*) And in fact, over the last 16 years, you all raised nearly \$89 million for charities coast-to-coast. That's certainly worth applauding. (*Audience applause*)

B-roll, golf & dining footage

NARRATOR (V.O.): Lexus cordially invites you to become a part of this rewarding and worthwhile experience -- to join other compassionate and dedicated individuals who are making a difference in their communities.

Soundbite, Peter Jacobsen on golf course, addresses viewers, 12:22:00

I encourage all of you to join me at next year's event. It's great golf, it's great fun, and it's a way for you to support your community through charity dollars, all donated by the great people at Lexus. So I look forward to seeing you next year at Lexus Champions for Charity.
