

Testimonials for Richard Bellikoff's Work

"We've had a score of writers scratching about on this series, and not one of them has been faster or more reliable than Richard Bellikoff. He's bright, industrious, thoroughly professional . . . he can write whatever you want."

- Jack Arnold, Story Editor, *The Mechanical Universe*, award-winning PBS-TV series

"Put this writer on your payroll! He's light years ahead of the rest!"

- Paul Richmond, Legal Department, ARCO

"I am writing to express my appreciation for the excellent writing you've done for Promotional Services Your scripts have definitely contributed to the sales we have generated during our toy shows."

- Cynthia Wallace, Promotional Services, Mattel Toys

"Thanks for doing an outstanding job on a quick turnaround project."

- Don Nokes, Communications Manager, Toyota

"Your contribution as a writer was an indispensable part of this series, and has helped us maintain our reputation as a producer of quality programming to PBS stations and educational institutions nationwide. We are fortunate to have had you on the team"
